I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: First we allow big insurance agencies to  
hamstring efforts to provide national health insurance.  
Now big drug companies are after small,  
independents. I urge you to oppose their efforts  
to limit my ability to get the pharmaceutical care  
I need from small, specialized pharmacies like  
Mohsen Pharmacy. Alabama, my state, cannot meet  
my needs. Do not be a party to this injustice!
